LOCAL MINE EMPLOYEES WILL RAISE LARGE RELIEF FUND

Mass Meeting Will Soon Be Held to Devise Plans for Relief Fund for Survivors of Horrible Fire at St. Paul Mine—Miners Have Fellow Feeling for Sufferers.

The miners of Calumet will hold a mass meeting soon, probably at the Light Guard armory, to arrange details of a campaign which is to be waged to secure a big relief fund for the benefit of the victims of the St. Paul mine disaster at Cherry, Ill. This movement promises to develop out of a suggestion made at a meeting of the C. and H. miners' picnic committee Saturday, which met with instant favor. Several members of the committee have already started work upon the plans for the meeting, and to secure the co-operation of the C. and H. mine officials.

While the rest of the world is appalled at the horror which has just taken place at Cherry, it has added significance for those who daily toll thousands of feet beneath the surface of the earth. A feeling of brotherhood prompts the local mine workers to come to the aid of those stricken down while pursuing the same vocation, and it is believed that a large fund will be raised in Calumet. The miners of Osceola, Tamarack and other companies will be asked to contribute, and the subscription list will likewise be thrown open to the surface employees of the various companies. The action will be taken as soon as it is possible to make the arrangements.

The announcement which came Saturday that not all of the men entombed in the mine had sacrificed their lives was received with rejoicing in this city. Several miners who formerly made their homes in Calumet had been among the missing, and a complete list of names of those whose lives have been saved is eagerly awaited.

At the meeting on Saturday, the committee which had charge of the miners' picnic made a final distribution of the funds remaining in the treasury to those in need of assistance. In all about 35 families were given aid, and a fund of more than \$700 was disposed of. A complete report of the picnic fund will be presented in a short time.

PROF. MUSTONEN TO PRESENT DRAMA HERE AND MANCOCK

"The Conqueror of the Devil," in Five Acts, Will Be Produced at the Calumet Theatre Dec. 26 and at Hancock Dec. 25—Well Known Vocalists Will Take Part.

A musical drama, in five acts, entitled "The Conqueror of the Devil," is to be presented at the Calumet theatre on the evening of December 26, and at the Hancock theatre, Hancock, on Christmas evening, December 25. The drama is to be staged by Prof. Sanfrid Mustonen, with a cast of well known Finnish soloists and dramatists and a chorus numbering at least 24 voices. A C. & H. orchestra will be engaged to assist in the musical part of the production.

The scene of the play is laid in Tyrol and all of the characters, costumes, etc., will be typical of the Tyrolean peasantry and surroundings. It will be the first production of the kind ever staged in the copper country.

Prof. Mustonen will take the leading role of the "Devil." He has histrionic talent above the ordinary, while as a bass vocalist he has few equals in the country. Prof. Mustonen will be assisted in the leading roles by well known vocalists, including Mrs. Josephine Mustonen, William Lundahl, Mrs. Ida Palmer, Uno Rautell, Mrs. Mary Brown, Michael Ranta and William Hyrkas. Rehearsals are being held regularly.

Arrangements are being made for a Thanksgiving concert to be given in the parlors of the Finnish National church on Eighth street, Thursday evening of this week. An appropriate program is being prepared for the occasion.

YOUNG FINNISH RESIDENTS ORGANIZE AN ATHLETIC CLUB

Meeting Held Last Evening at Which Organization to be Known as the Finnish Athletic Association Was Formed—Two Trained Athletes Are Employed as Instructors.

At a meeting of young Finnish residents of Calumet, held yesterday afternoon in the Finnish hall on Eighth street, it was decided to organize an athletic club, to be known as the Finnish Athletic Association. A committee was named to secure a hall for gymnasium purposes and gymnasium suits were ordered this morning through I. Blumenthal. The club starts out with a very strong membership, and has secured the services of two professors of gymnastics and athletics, who will direct the members.

Special attention is to be paid to wrestling in the Grace-Roman and catch-as-catch-can styles. O. Pesonen and John Koski have been named as trainers and teachers, and as soon as the hall has been secured meetings will be held. It was decided that Tuesday and Friday evenings would be the most suitable in each week for meetings and these dates were named.

Both Messrs. Pesonen and Koski have been trainers of the North Star Hall Athletic association of Hancock, and are thoroughly familiar with the work. They are residents of Calumet.

Officers of the club have been elected, and the constitution and by-laws are being prepared. These will be read at a meeting of the club to be held in the near future, when it is expected the committee on a hall will be ready to report.

The athletic club is assured of a large membership, judging from yesterday's attendance and the number who enrolled. A big wrestling mat, 16 by 16 feet has been ordered, and will be used in the gym. Horizontal bars and other equipment are also to be secured.

ELKS MUST BE CITIZENS.

Therefore Three Applicants Can't be Admitted in Battle Creek.

A peculiar situation has developed at Battle Creek which is of interest to every member of the order of Elks in the United States. City Clerk Gray, who is the Michigan deputy of the order in this district, has been appealed to for an opinion in order to straighten out the Battle Creek affair and his opinion will not be favorable to three applicants at the Pure Food city who would be admitted to the order.

It has developed that they have made applications for citizenship but have not their naturalization papers. The requirements of all applicants in the order are that the applicant must be a "white male and a citizen of the United States."

LADIES FREE AT ROYAL.

The management of the Royal theatre has decided to admit ladies free this evening, if accompanied by one paid 10 cent ticket. This is a new innovation. The program is changed nightly.

Matt Sorich appeared in Justice Fisher's court this morning, and swore out a warrant against a Finnish miner in the employ of the Tamarack Mining company, charging him with stealing some of his underground apparel. Sorich says that he does not know the name of the alleged thief but will accompany the officer to his place of residence at the Tamarack and point him out.
